Expenses for 2015 were reviewed

Discussion of New Munster Park lighting. Ideas included placing lights which would shine on the food stand and the scorers booth to help eliminate vandalism at night. Rough estimates of pricing were provided by Randy Schultz.

The drainage project for New Munster Ball Park could be started this fall and completed in the spring. Paying for the first half this fall and the remainder in Spring, upon completion.

Discussion of replacement trees for those that died/were cut down. Breezy Hill could plant a 3" by 16' Autumn Blaze Maple to provide shade by the pump house and also add three smaller trees along the south road.

The security system project will not be addressed until later this fall.

Tarp shed removal will be part of Fire Dept training per Brian Kerkman.

There was a motion by Brett Butler and a Second by Steve Peters to request \$40,500 from the Town Board for the 2016 Recreation Budget. None opposed.

There was a motion by Brian Kerkman, second by Brett Butler to have Jeff Niederer and/or Steve Peters present the drainage project proposal for approval by the Town Board at the 9/29/2015 meeting. None opposed.
