

RESOLUTION – No. 2020 -- 001

No Parking Zone – 84th St. Powers Lake

WHEREAS, the town board has received complaints from property owners on this street regarding public safety issues such as rescue squad, fire truck, or police squads not being able to respond in a timely manner because the street is blocked by on-street parking.

WHEREAS, property owners have requested the installation of “no parking” signs for this street.

WHEREAS, the 84th St. public right-of-way is substandard in width at 33 feet and is approximately 592 feet in length, with five driveway accessing the street on the east end, several on the west end and includes the entrance to a private roadway on the south side servicing Illinois Park Subdivision property owners. 84th St. and 399th Ave. intersect and form a “T” intersection.

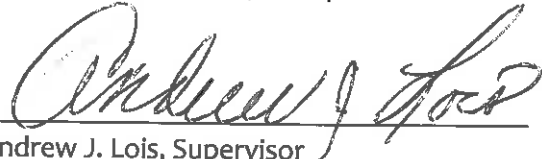

RESOLVED, the town board moved to prohibit parking on 84th St. for the entire 592 feet for both sides of the street and ordered the installation of “no parking” signs.

Adopted this thirteenth day of January 2020.
