

2020 Census — Make Sure You're Counted!

If you have not responded to the 2020 Census, it is not too late. So far, Wheatland has had a low response rate. This means Census workers will need to go door-to-door in Wheatland.

A full census count helps ensure the Town of Wheatland, Kenosha County, the State of Wisconsin and our schools receive the support needed to provide vital services. The census also determines your political representation on the federal, state and local levels.

Due to the COVID-19 pandemic, the deadline to respond has been extended to Oct. 31, although census takers in August will begin visiting homes that have not responded.

Filling out the form is easy, and it only takes a few minutes. You can respond online at www.2020census.gov or by phone at 844-330-2020 (English), 844-468-2020 (Spanish), or 844-467-2020 (TDD). If you received a paper form in the mail earlier this year, that can also still be mailed in.

The census is safe, secure and confidential. Your information and privacy will be protected.

So, if you have not already done so, please submit your response to the 2020 Census — and make sure you are counted!
