

# KENOSHA COUNTY RECYCLING RESOURCES

## LOCAL MUNICIPALITIES CONTACTS

Each municipality in Kenosha County manages contracts for household waste and recycling collection. If you have questions regarding what can and cannot be placed in household bins, recycling schedule, special pick-ups for bulk items and more, contact the municipality in which you live for the most up-to-date information. You may be directed to the contracted service provider for more details.

## WISCONSIN RECYCLING MARKETS DIRECTORY

The Wisconsin Recycling Markets Directory provides information about outlets for recycling various materials in Wisconsin that municipalities may not accept. Users can search the list of recyclers for various materials, view information about the recyclers and suggest additional recyclers to include in the listing.

Visit the directory at [www.uwgb.edu/solid-hazardous-waste-education-center/](http://www.uwgb.edu/solid-hazardous-waste-education-center/).

## HOUSEHOLD HAZARDOUS WASTE EVENT

The Kenosha County Household Hazardous Waste Event is an annual event, typically held the first Saturday in May, where county residents can dispose of hazardous, electronic and refrigerant waste free of charge.

Kenosha County residents can dispose of their household hazardous waste, e-waste and refrigerant waste by bringing their waste items to the Kenosha County Center, 19600 75th Street, Bristol.

For more information about this event, visit the Extension Kenosha County website at [kenosha.extension.wisc.edu](http://kenosha.extension.wisc.edu) or call the Extension Kenosha County Office at 262-857-1945.
