ATV/UTV - Make _____ Model _____ Year _____

DNR ATV Safety Certificate No. (required if birthdate is after Jan. 1, 1988): _____

Required to operate an ATV/UTV in Town of Wheatland

- Insurance - minimum \$100,000/occurrence, Policy # _____, Company _____
- ATV\UTV equipped as listed below:
 - functioning stock muffler
 - functioning braking system
 - operating strobe light, headlight and taillight - including daylight hours
 - functioning seatbelts

Operating rules:

- Speed** - operate only at or below the posted limits with the town.
- Hours of operation** - year around in the hours of sunrise to sunset only.
- Lane usage** - ATV/UTV vehicles must operate single file on the paved travel lane within the town.
Shoulder or ditch riding is reserved for emergencies only.
- Operation on private property** - no person shall operate an ATV/UTV on private property not owned or occupied by the ATV/UTV operator within the town without the express consent or permission of the private property owner.
- Unattended** - no person shall leave an ATV/UTV unattended on any public highway or public property while the motor is running or with starting key left in the ignition.

I certify that I understand and agree to the above operating requirements and realize I'm required to maintain insurance and all licenses and permits during the term of this user permit. I further that I have received a map showing the ATV/UTV routes in the Town of Wheatland.
